IN-APP PURCHASE

This dataset covers users' granular in-app purchase activities from over **100 Top Mobile Apps** including streaming service, dating apps, and mobile games. Data delivers weekly with purchase history from 2018. All e-receipts are sent from App Store and Google Play to users' registered accounts.

- **MOBILE GAMES**
- **STREAMING SERVICES**
- **DATING APPS**

[more ...](#)

*This dataset is also available on **Bloomberg Enterprise Access Point**

RETAILERS

This dataset covers online transactions of **Top Retailers** and **Fashion Brands**, with metrics as order volume/sales, SKU, and orderID. It's delivered weekly with history from 2018. All e-receipts are sent from merchants to users' accounts. Both granular item-level e-receipts and aggregated sales/order volume data feed are available.

- **FASHION BRANDS**
- **ONLINE MARKETPLACES**
- **CONSUMER ELECTRONICS**

ON-DEMAND

If the company or ticker you're looking for is not on the list, please contact our sales representative to get more information. As long as the merchant/ or company sends e-receipts to users, we should be able to cover.
